**Plan Description:**

The City of Cincinnati is made up of 52 neighborhoods, all of which have been impacted by the foreclosure crisis. The City will focus its efforts on 10 of the neighborhoods most impacted which include the following: East Price Hill, West Price Hill, Avondale, Westwood, Northside, Evanston, College Hill, South Fairmont, Bond Hill, and Madisonville. The City used the following data to determine the areas of focus: HMDA high cost loan rate, City data on foreclosures in 2006 and 2007 based on the county Auditors website, City data on vacant buildings, and City data on bank-owned buildings. Each of the neighborhood groups was ranked based on those factors. These ranks were then combined through a weighted formula in which a neighborhoods rank was given the following weight for each factor: - 70% City data on foreclosures in 2006 and 2007 based on the county Auditors website - 10% HMDA high cost loan rate - 10% City data on vacant buildings - 10% City data on bank-owned buildings. In sum the neighborhoods selected had a total of 2,021 foreclosures in 2006 and 2007, or 66.5% of all foreclosures reported citywide. The neighborhoods had HMDA high cost loan rates ranging from 66% to 13%. A total of 738 vacant buildings, or 44.3% of all vacant buildings in the City, were reported in these neighborhoods. In addition, 639 bank owned buildings, or 60.6% of all bank owned buildings in the City, are in these ten neighborhoods.

**Recovery Needs:**

As described in the section above, the City of Cincinnati examined the following criteria: City data on foreclosures in 2006 and 2007 based on the county Auditors website; HMDA high cost loan rate; City data on vacant buildings; and City data on bank-owned buildings. These criteria showed that throughout the City, but in particular the ten neighborhoods of greatest need, the City would benefit from redevelopment of foreclosed homes and elimination of blighted buildings. In order to accomplish this the City intends to focus its Neighborhood Stabilization Resources on the following eligible uses, funded at the following levels:

Eligible Use	Total Allocation
(A) Establish Financing Mechanisms	\$812,500
(B) Acquisition and Rehabilitation	\$2,231,400

## Overall Progress Narrative:

HUD executed the NSP Grant Agreement with the City of Cincinnati on March 17, 2009. The eighteen-month NSP Obligation deadline is September 16, 2010. All NSP project activities are to be completed by December 17, 2012. The City is actively moving forward with the NSP Affordable Housing Project, the NSP Purchase and Redevelopment Project, and the NSP Hazard Abatement and Demolition Project.

In reference to the City's NSP Affordable Housing Project, four contiguous, multi-family properties have been acquired. These four buildings were purchased out of foreclosure in October, and will be redeveloped to create twenty-four units of affordable housing for low-income senior residents in the community of Evanston. The City's final NSP development agreement was executed in June 2010. Predevelopment work is in progress. City Staff continue to be actively involved with both the Developer and the Community in the development process.

The NSP Purchase and Redevelopment Project provides funds to purchase and rehabilitate homes and residential properties that have been abandoned or foreclosed upon, in order to sell, rent, or redevelop such homes and properties. This project will additionally provide funds to redevelop demolished or vacant properties. Local Community Urban Redevelopment Corporations have been working throughout the Second Quarter to identify foreclosed or abandoned residential units within their neighborhoods to acquire and rehabilitate. At the close of the Second Quarter of 2010, twenty-eight eligible NSP units have been identified and purchased. Construction is complete on four units and underway on eight additional units. Three units have been fully rehabilitated and sold to NSP qualified buyers.

The NSP Hazard Abatement and Demolition Project provides funds to demolish blighted structures. Under the Demolition program, condemned buildings are demolished after standard code enforcement activities have been exhausted. At the close of the Second Quarter an additional twenty-nine properties for a total of six-one properties have been demolished with NSP funds; additional properties continue to be declared blighted through a public nuisance hearing and placed under contract for Demolition with NSP funds.

In the Second Quarter of 2010, the City of Cincinnati continued to successfully execute the defined NSP objectives. The City is on target to fully obligate and expend funds within program guidelines.

**Activity Description:**

24 CFR 570.201(d) Demolition of residential property that has been condemned and declared a public nuisance

**Location Description:**

Cincinnati, Hamilton County, OH

**Activity Progress Narrative:**

The NSP Hazard Abatement and Demolition Project provides funds to demolish blighted structures. Under the Demolition program, condemned buildings are demolished after standard code enforcement activities have been exhausted. At the close of the Second Quarter an additional twenty-nine properties have been demolished with NSP funds; additional properties continue to be declared blighted through a public nuisance hearing and placed under contract for Demolition with NSP funds.

**Activity Description:**

24 CFR 570.206 This activity funds all administrative expenses for the NSP 1 grant.

**Location Description:**

City of Cincinnati, 801 Plum Street, Cincinnati, OH 45202

**Activity Progress Narrative:**

City NSP Program Staff continue to be actively involved with local CDCs in regards to the acquisition and construction elements of the NSP Purchase and Redevelopment Project. Staff meet with participating CDCs and contractors on a regular basis. Additionally, NSP Staff are available on a continual basis via email or telephone to address any problems, concerns, or questions.

Property Maintenance Code Enforcement Staff continue to address blighted and nuisance properties through the Public Nuisance Hearing Process.

NSP Program Staff remain active in the Development of the Affordable Housing Project, meeting with both the Developer and the Community on a regular basis.

In the Second Quarter 2010, NSP Staff have taken part in the following training and professional development courses: HUD DRGR Training; HUD Construction Monitoring Training; HUD NSP Training; Ohio CDC Association Green Standards Training; and Ohio CDC Association Construction Planning and Management Training.
